ART. II.....The Institutes and Practice of Surgery; being the Outlines of a Course of Lectures. By WILLIAM GIBSON, M. D. Professor of Surgery in the University of Pennsylvania, Surgeon and Clinical Lecturer to the Almshouse Infirmary, &c. - - 114

QUARTERLY HISTORY OF IMPROVEMENTS IN MEDICINE AND SURGERY.

FOREIGN.—Lachrymal Nerves—Dr. Meyer on Chyle in the Veins of the Jejunum—The late Dr. Baillie's Observations upon a considerable number of Diseases—Colica Pictonum—M. Florens on the Sense of Hearing and the Causes of Deafness—M. Janson's Case of removing a large portion of the Scapula—Poisoning by Cantharides, - - - - - - 125—136

DOMESTIC.—Case of Hydrophobia successfully treated by Acetate of Lead, - - - - - - - 137

INTELLIGENCE.—Medical Society of the State of New-York—University of the State of New-York—Meteorological Table for 1825, 140—142

QUARTERLY BIBLIOGRAPHICAL NOTICES, - - - - 143

NOTICES.—New-York City Dispensary—To Readers and Correspondents, - - - - - - - 144

## NUMBER XVIII.

ARTICLE I.....Reflections on Diseases of Irritation. By JAMES FOUNTAIN, M. D. Fellow of the College of Physicians and Surgeons of the University of the State of New-York, - - - 145

ART. II.....On the combined administration of Nauseating and Purgative Medicines in cases of difficult and suppressed Menstruation. By ANDREW HAMERSLEY, M. D. of New-York, - - 164

ART. III.....An Account of the Salt Springs at Salina, Onondaga County, State of New-York; with a Chemical Examination of several varieties of Salt manufactured at Salina and Syracuse. By LEWIS C. BECK, M. D. Professor of Botany, Mineralogy, &c. in the Rensselaer School, - - - - - - 176

ART. IV.....A Description of the White Sulphur Springs of Virginia, with some Observations on their Medicinal Properties. By C. S. FARRAR, M. D. of James Town, Virginia, - - - 199

ART. V.....Account of a Case in which the rudiments of the Fœtus were found, on dissection, in the Uterus of a Child between three and four years of age. By Dr. ELBERT CURTIS, of Tompkins County, New-York, - - - - - - 202

ART. VI.....Contributions in Medical Jurisprudence and Police. No. II. By THEODRIC ROMEYN BECK, M. D. Professor of the Theory and Practice of Physic, and Lecturer on Medical Jurisprudence, in the University of the State of New-York, - - 205

ART. VII.....Some Observations on the Diseases of the Spanish Main, in an extract from a Letter to one of the Editors. By JAMES H. C. MILLER, M. B. of the Colombian Navy, - - - 208

ART. VIII.....Account of a Case of Encysted Tumour, successfully removed by an Operation. By ALEXR. H. STEVENS, M. D. one of the Surgeons of the New-York Hospital. (*With a plate.*) - - 311

ART. IX.....Account of a Remarkable Case of Injury of the Heart; in a Letter to Theodric Romeyn Beck, Professor of Medical Jurisprudence, &c. By ALEXR. H. STEVENS, M. D. - - 314

ART. X.....Account of a Case of Monstrosity. By JAMES FITZPATRICK, M. D. of Lebanon, Pennsylvania, - - - 317

ART. XI.....Quarterly Report of Diseases treated at the New-York City Dispensary, from the 15th of March to the 15th of June, 1826, 320

REVIEW.

ART. I.....Observations on the Autumnal Fevers of Savannah. By W. C. DANIELL, M. D. - - - - - 330

ART. II.....The Institutes and Practice of Surgery; being the Outlines of a Course of Lectures. By WILLIAM GIBSON, M. D. Professor of Surgery, &c. in the University of Pennsylvania, - - 340

QUARTERLY HISTORY OF IMPROVEMENTS IN MEDICINE AND SURGERY.

FOREIGN.—M. Simon on the Secretion of Bile—M. Cruveilhier on the Texture of the Liver—Pulmonary Absorption—Observations of Dr. Baillie upon a considerable number of Diseases, (concluded from p. 136)—Dr. Barry on the application of Cupping-glasses to Poisoned Wounds—Wound of the Head—On the presence of Mercury in Urine—Cystic Oxide Calculus—Mr. Fawke's Case of an Osseous Tumour in the Uterus—Dr. L. Frank's Case of Rupture of the Uterus, and Cæsarean Operation—School for Instruction in Legal Medicine—Effects of various Metallic Substances on Animals—Lime Water a Test for Arsenic, - - 360—386

DOMESTIC.—Wagner's Case of Amputation at the Shoulder Joint—Glonninger's Case of Injury of the Head, - - 386—388

QUARTERLY BIBLIOGRAPHICAL NOTICES, - - - 388—392

INTELLIGENCE.—Medical Society of the State of New-York—Medical Commencement of the University of the State of New-York—New-York Hospital—A Card to the Editors—J. Kearny Rodgers' Lectures—College of Physicians and Surgeons of the City of New-York, - - - - - - 392—396

## NUMBER XIX.

ARTICLE I.....Reflections on Diseases of Irritation. By JAMES FOUNTAIN, M. D. Fellow of the College of Physicians and Surgeons of the University of the State of New-York. (Continued from p. 164.) 397

ART. II.....Contributions in Medical Jurisprudence and Police. No. III. By THEODRIC ROMEYN BECK, M. D. Professor of the Theory and Practice of Physic in the University of the State of New-York, and Lecturer on Medical Jurisprudence, - - - 427

ART. III.....Case of Malformation of the Œsophagus and Trachea. By A. F. HOLMES, M. D. Corresponding Member of the Medico-Chirurgical Society of Edinburgh, and Professor of Chemistry and Materia Medica in the Medical Institution, Montreal, (L. C.) - 441

ART. IV.....A Case of Malformation of the Urinary and Genital Organs. By CHARLES DRAKE, M. D. Physician to the New-York State Prison. (*With a plate.*) - - - - - 443

ART. V.....Account of a Case of Concealed Hemorrhage in Delivery. By Dr. ORRIN WRIGHT, of Pittsfield, Mass. - - 447

ART. VI.....Quarterly Report of Diseases treated at the New-York City Dispensary, from the 15th of June to the 15th of September, 1826, - - - - - - - - 449

ART. VII.....Case of Amputation of the Arm at the Shoulder Joint. By JOHN WAGNER, Surgeon, Member of the Royal College of Surgeons, London, and Teacher of Anatomy in Charleston, S. C. - 460

REVIEW.

ART. I.....An Epitome of Chemical Philosophy; being an Extended Syllabus of the Lectures on that subject, delivered at Dartmouth College; and intended as a Text Book for Students. By JAMES FREEMAN DANA, M. D. of Concord, N. H. - - - 466

ART. II.....Medical and Physical Memoirs. By CHARLES CALDWELL, M. D. Professor of the Institutes of Medicine and Clinical Practice in Transylvania University, Lexington, Ky. - - 484

ART. III.....Journal of the Philadelphia College of Pharmacy. Nos. 1 and 2. - - - - - - - 489

QUARTERLY HISTORY OF IMPROVEMENTS IN MEDICINE AND SURGERY.

FOREIGN.—Case of Uterine Hemorrhage, successfully treated by the operation of Transfusion—Comparison of Indian and European Skulls—Remarks on the Human Stomach—Case of a New-born Child, in which the Brain and a greater part of the Cranium were wanting—Experiments on Poisoning—Tetanus; singular mode of Treating this Disease at the Tonga Islands—Melanosis of the Stomach—Case of Obstinate Vomiting, and supposed Organic Disease of the Stomach—Treatment of Traumatic Erysipelas by Cauterization—Fatal Case of Aneurism of the Aorta, &c.—Twin Births—Case of Recovery from Rupture of the Uterus—Effects of the Juice of the Manchineel—Use of the Pomegranate Bark as a Remedy for Tænia—Examination of the Question, Whether the Medical use of Phosphorus internally is useful, injurious, or equivocal

—Berzelius's Method of detecting Arsenic in the Bodies of Persons Poisoned—Marks of Vitality in New-born Infants—Case of Recovery from Poisoning with Sulphuric Acid, - - 501—523

DOMESTIC.—Three Cases in which Operations for Securing the common Carotid Artery have lately been performed—Suture of the Palate, - - - - - - 523—526

QUARTERLY BIBLIOGRAPHICAL NOTICES, - - 526—529

INTELLIGENCE.——Notices——New-York Institution for Correcting Impediments of Speech—New-Hampshire Medical Institution—Montreal Medical School—Medical Society of the County of New-York—State Medical License—University of the State of New-York: College of Physicians and Surgeons of the Western District at Fairfield, Herkimer County—College of Physicians and Surgeons of New-York—New-York Eye Infirmary, - 529—532

## NUMBER XX.

ARTICLE I.....Case of Amputation of the Lower Jaw. By JOHN WAGNER, Surgeon, Member of the Royal College of Surgeons, London, and Teacher of Anatomy in Charleston, South Carolina. (*With a plate.*) - - - - - - - 533

ART. II.....Account of several Cases of Inflammation of the Larynx and Trachea. By SAMUEL WEBBER, M. D. of Charleston, N. H. 539

ART. III.....Contributions in Medical and Surgical Practice. By JABEZ W. HEUSTIS, M. D. of Cahawba, Alabama, - - 549

ART. IV.....Case of successful Extraction of the Astragalus after Compound Luxation. By ALEXR. H. STEVENS, M. D. Professor of Surgery in the University of New-York. Drawn up by ELIAS J. MARSH, A. B. of Amboy, N. J. - - - - 560

ART. V.....A Case of Chorea Sancti Viti. By JAMES FOUNTAIN, M. D. of Yorktown, West-Chester County, New-York, - - 563

ART. VI.....Remarks on Calomel. By Dr. MOORE HOYT, of New-York, - - - - - - - - 567

ART. VII.....Two Cases of Compound Fracture of the Patella; with Remarks. By STEPHEN BROWN, M. D. late Surgeon of the Almshouse and Penitentiary, and one of the Physicians of the New-York Hospital, - - - - - - - 574

ART. VIII.....Case of Anomalous Delivery. By JOHN W. STERLING, M. D. Member of the Royal College of Surgeons, London, 584

ART. IX.....Quarterly Report of Diseases treated at the New-York City Dispensary, from the 15th of September to the 15th of December, 1826, - - - - - - - 589

REVIEW.

ART. I.....A Letter to the Hon. Isaac Parker, Chief Justice of the Supreme Court of the State of Massachusetts; containing Remarks on the Dislocation of the Hip Joint, occasioned by the publication of a Trial, which took place at Machias, in the State of Maine, June 1824.
